Date

16/3/2020

Re

TO WHOM IT MAY CONCERN

It is certified that HABIB MURTAZA is s/o GHULAM MURTAZA, having DoB 23/01/1995 is currently pursuing his PhD in Grenoble France.

Upon my General Physical Examination, symptoms and signs have been found unremarkable and non-indicative of any apparent illness. History of (communicable) Illness was also found insignificant. He may pursue any academic activity/ UM iCamp 2020 exchange program in Malang Indonesia.

I, being his family doctor, examined him in 2nd week of January, 2020 during his vacation period at his home-city.
