Dear Sir or Madam,

I am writing this letter of recommendation in support of Rishad Azizi who is going to apply to your Organization for a Conference / Group work / Internship. I have known Mr. Rishad for about four years. He has taken a few courses given by me which he has been successful at these courses with high grades.

During his study in our university, I had the chance to observe the performance of Mr. Rishad. He has got an intelligent, hardworking and ambitious of personality. In addition he always came prepared to classes and participated in class discussions. Also He has a nice personality and good at teamwork. In my opinion Mr. Rishad is an enthusiastic candidate for postgraduate studies and he has shown great interest in pursuing an academic life.

To sum up i can say that Mr. Rishad is excellent candidate to your organization / institution. I strongly believe that your organization / institution will be the ideal place for him to pursue his education background and also he will achieve more experience. I will strongly recommend for any kind of Graduate Assistantship.

Yours sincerely.
