Dear Sir/Madam,

I am writing this letter to ask for your permission to reschedule my submission of medical certificate. In response to the new strain of respiratory infections caused by Corona virus, to ensure the safety of the people, the Vietnamese government has asked people to stay home and we are not allowed to go out until the end of April. Therefore, it's impossible for me to go to the hospital and receive a medical certificate. I promise I will submit my medical certificate as soon as possible.

I hope that you will take my asking for permission in your consideration and will agree to allow me to submit my medical certificate later if I am selected as a participant.

Thanking you and I'm looking forward to seeing your positive response!

Yours Faithfully,

Le Thu Hang
