Medical Fitness

Mr. John Mathiang Machar Mathiang

Nationality: South Sudanese

ID No: 000722280

Date of Birth: 04/04/1997

Sex: male

The above-mentioned male was examined at Juba Teaching Hospital on 10/01/2018, and was found to be physically fit and mentally sound. He was also found to be free of communicable and non-communicable diseases. He is free from RVT, HBV, HCV & Ebola.

He is, therefore, not a public health risk; and is hereby recommended for any activity that might be assigned.

Thanks,

Dr. Maker Isaac Wel
Medical Director
